HEALTH OFFICER'S REPORT

Under the State Board of Health, division of Maternity, Infancy and Child Hygiene, routine visits were made to all new born infants and children of pre-school age under the supervision of Miss Elizabeth Curriel, State Public Health Nurse for Cheshire county. In addition to the routine work of the division, a diphtheria clinic was held. Ten children were given immunization treatment for the prevention of diphtheria. The purpose of these clinics is to prevent illness; therefore, every child should receive this immunization treatment or antitoxin, before he reaches his first birthday.

Two cases of contagious diseases were reported by physicians and one by the Keene Board of Health, the latter case being of a Marlow resident who developed the disease in Keene. No evidence was found that the disease originated in this town.

AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Selectmen, Treasurer, Trustees of Trust Funds, Collector of Taxes, Overseer of the Poor, Trustees of Library, Sexton, Road Agent and Town Clerk and find them properly cast and sufficiently vouched for.

LUTHER A. SALTZGIVER,

Auditor

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Marlow:

I herewith submit my third report as superintendent of schools.

Organization and Enrollment

Changes were made in both the teaching positions this year. Mrs. Mazie Lovejoy has replaced Miss Anne Nichols who resigned to accept a position in a graded school at Lakeport. Mrs. Lovejoy is a graduate of Plymouth Normal School with seven years previous experience in elementary mixed and graded schools. Miss Hazel Oeschger was elected to fill the vacancy caused by the resignation of Miss Grace Kathan. Miss Oeschger is a graduate of the three year elementary curriculum at Keene Normal School.

Standard achievement tests in all the fundamental subjects were given to the pupils in grades five to eight inclusive. Standard graduation tests were administered to the eighth grade pupils previous to graduation. The results of the tests were tabulated for purposes of comparison and indicate that the pupils generally were doing satisfactory work for their grades.

The testing program this year is principally diagnostic in nature. The purpose is to diagnose difficulties and weaknesses which may occur in the fundamentals. The results are to be used as a guide to instruction and as a basis for remedial work. In each school a program for remedial work will be developed in accordance with the needs of the pupils as indicated by the results of the tests. Attention will be given to individual as well as to group needs.

Both teachers attended the sessions at the State Teachers' Convention and at the Institute for Rural Teachers held at Sullivan. General letters containing specific suggestions in class and school management

have been issued. A professional library of fifty-eight volumes is being circulated from the superintendent's office. The library consists of books dealing with class management and teaching problems.

Enrollment January 15, 1936

Grade	1	2	3	4	5	6	7	8	Total
Primary room	3	7	3	5					18
Advanced room					8	2	3	4	17

Health

Report of School Nurse:

Health education will be of value to the pupils according to the value placed upon it by the school. The routine health inspection in the schools shows greater interest in personal health habits and general health.

Respectfully submitted,

ZEPHYRINE L. HASHAM, R. N.

Miss Elizabeth Carriel, staff nurse of the State Board of Health, has made the following report of a diphtheria immunization clinic held at Marlow.

Number of children treated	10
Children, 6 months to 1 year	2
Pre-school (1 to 6 years)	4
School children	4

Buildings and Equipment

Repairs necessary to maintain the building in good condition have been made. Special improvements were made as follows:

1. The exterior of the building was painted.
 2. The curtains in both rooms were repaired and new curtains were supplied where needed.
 3. The blackboards were scraped and painted.
 4. A new flag pole has been supplied.
- The building is now in excellent condition.

Statistical Report, 1934-1935

Total registration	50
Average membership	37.05
Percentage of attendance	94.52
Cases of tardiness	195
Visits by superintendent	36
Visits by citizens and others	107
Number of pupils not absent or tardy	0

The improvement in the percentage of attendance is commendable. The number of cases of tardiness, however, has increased.

I wish to express appreciation for the generous co-operation I have received from the members of the school board, parents, teachers and pupils.

Respectfully submitted,

CHARLES D. DALZELL,
Superintendent of Schools
